# PRESIDENT'S MESSAGE

## Welcome to the 2023-2024 Season at The Mighty Haven.

To all members, welcome to the 23/24 bowling season, it is my privilege to be your President for the third year of one of the friendliest clubs in Auckland.

The 22/23 season was a season of nearly but not quite. We finished runner up in the Centre Triples beaten by one shot, nearly but not quite. This season perhaps.

However, we did win the mixed pennants for the second time as well as many local smaller wins, so we are moving in the right direction.

Last season was our 30-year anniversary and to acknowledge that, we had our first ever two-day tournament which was a tremendous success and thanks have to go to Dave Hilson and especially Ron Smith for their organising which made it the success it was. The club has decided to make this an annual event and I am sure filling the green will not be a problem.

Beach Haven is a major player in the monthly triples that alternate between Sunnybrae, Northcote and Birkenhead. We generally supply two or three triples teams at these venues and all teams have performed well with numerous wins. My personal thanks go to all the club members that play in these midweek fixtures, it not only improves the skill and overall experience of the individuals, but it also helps me when it comes to organising teams for our triples.

Amongst our achievements, and there are many, last season was the purchase of a game timer which we need as we start to host centre tournaments. These items are expensive somewhere in the \$3,000.00 area. Ian Davis, our club member whose knowledge has no boundaries, sourced one from overseas at quarter of the cost and much more attractive than the ones obtained in NZ, he has also made one or two adjustments to it resulting in a state-of-the-art timer. Ian has also set up a continuous live video of the green, so members can check the state of the green at any time via our website, great for security and good for watching the ducks land during the floods! Many thanks to Ian for his time and money he has put into this and many other projects for your benefit.

Our membership is rising slightly but we do need more members, perhaps another 20 would be a manageable number and we do need more female members, we have a small group of women with plenty of bowling talent but they do need a few more competitive bowlers.

As I write this report, Terry Henshaw, who is a tireless worker for your club is organising the front of the club to be opened up to glass which will change the whole outlook of the club and by the time you read this it will be installed....I hope....I am sure you will be overwhelmed with the change.

Our club, as I have said many times, is very lucky to have three or so major sponsors and a good number of smaller sponsors, all of whom are much appreciated by the club.

Our major sponsors CLL Terry Donnelly and Gr8 Moa's Terry Henshaw along with Ray White Real Estate Regan Golding and Glen Carpenter are awesome and I cannot thank them enough on behalf of the club for the finance and work they put into our club for your

benefit.

To all our other supporters and sponsors listed on our sponsors page, many thanks to you for supporting our club which is heading up into uncharted territory.

My aim and my executives aim is to keep improving the club both out on the green and within the club. Hopefully you will have seen this over the last few years and again this year we have an executive which is not a “gonna” executive but a “doit” executive and my thanks to them.

To you all, have a great year, both health wise and bowling wise, enjoy the comradery of your club, participate in your club activities when possible and let’s all work together towards making our club a club to enjoy and a club to join.

Good Bowling.

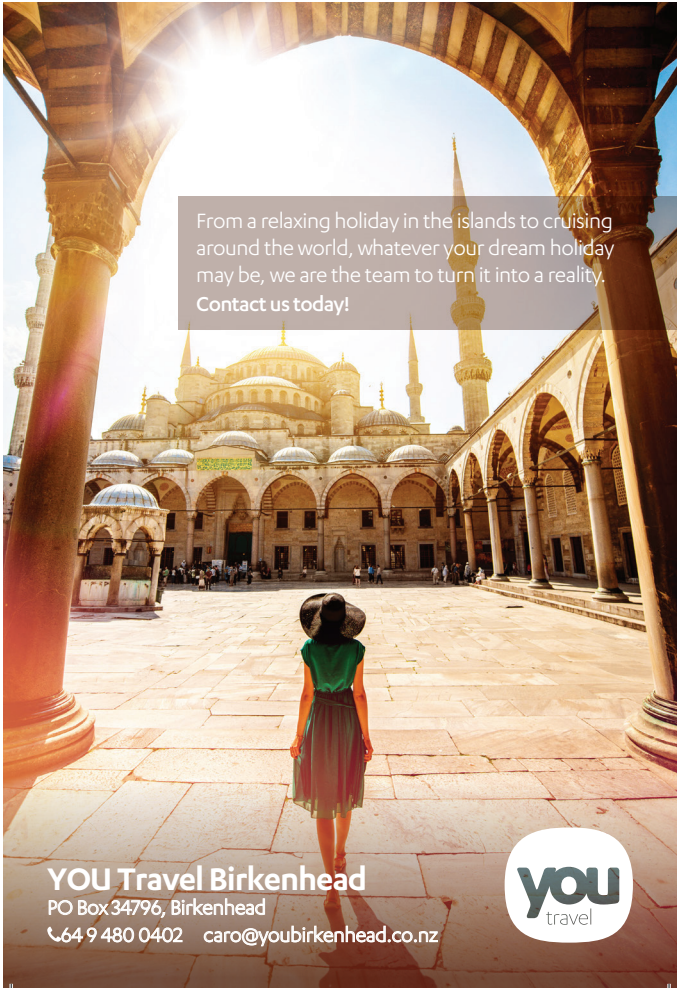

Your president,

Roy

## A BRIEF HISTORY OF THE CLUB'S 30<sup>th</sup> ANNIVERSARY

With the support of the Local Board of the then North Shore City Council, Beach Haven Bowling Club (Inc) was first established on 29th April, 1993 by a group of local residents who had identified a need for a Bowling Club at Shepherds Park. The Club finally opened its doors in 1996 with a small Clubhouse, a single Implements Shed and a green cared for by the members.

Since then the Clubhouse has been doubled in size (1999/2000) and the green fenced to protect the turf and provide shade and shelter for players and visitors (2011). A second shed was added (2018) with upgrades made to the pathways around the green in the same year. The deck was also fully extended, greatly improving access to the Clubhouse for all concerned, and the green was re-turfed to North Harbour and Auckland Bowls specifications during the winter of 2018, providing us with a much improved playing surface to complement the new facilities. We are therefore confident we can be favourably compared with any small urban club in the country with the unique bonus of being located in beautifully wooded surroundings.

None of this work would have been possible without input from our community. We enjoy the support of Individuals, local businesses, Birkenhead Licensing Trust and Local Government. As a result, we have developed into a lively and respected club with a reputation for friendliness and hospitality for visitors.

**Consistent with Bowls NZ and in line with Clause 8.2. of the BNH Centre Constitution, BHBC provide that:**

“All matches shall be played in accordance with the Laws of the Sport and Regulations as approved by Bowls NZ, and the Club and its members shall, as a condition of the continuance of membership to Bowls NZ, at all times and all respects conform to and be bound by the Constitution of Bowls NZ.

## BOWLS ETIQUETTE

Acts of courtesy between and among players, on and off the green, contribute greatly to the enjoyment of our wonderful sport. A player's consideration for their opponent and others is reflected in their reputation and standing in the Club. You will discover the players at the very top are frequently those who are most courteous in their approach to the game and who are gracious in both victory and defeat.

### **Here are some important pointers:**

- Dress in accordance with Club rules for proper attire.
- Be punctual and introduce yourself to fellow team members with a smile.
- Show hospitality to visitors when you are playing at your home club.
- Compliment your opponent when he plays a good shot and admit good fortune when you fluke a shot- "We all get'em don't we? But they're welcome when our luck's in". Hand your opponent the jack or mat when it is his turn to lead.
- Pay attention to keeping the score as required.
- Do not encroach on any adjoining rink when delivering your bowl.
- Remember always your opponent has possession of the rink as soon as the bowl you have delivered comes to rest.
- Do not interfere with or distract your opponent - you should be 2 metres behind the mat when he has the mat.
- Watch your shadow does not fall across the line your opponent wishes to take. If you are standing on the head, do not allow your shadow to shade the jack.
- Pay close attention to your skip when you are on the mat so that you are prepared for his directions.

## **BOWLS ETIQUETTE (Cont.)**

- Support and encourage your team members, especially when they are having a bad day. Don't demean your team or criticize any team member. Be positive.
- Help to clear the head AFTER the result has been determined.
- Do not precede the player who played the last bowl at crossover - allow him to follow the path of his bowl.
- Do not waste time in a time limit game. Give the opposition a fair go. At crossover do not linger on the head thereby obstructing the skip's first bowl.
- Observe the laws regarding following your bowl up the rink and do not be in the way when your opponent has possession of the rink.
- At the end of a day's play help return scrims, mats, jacks and clean scoreboards to storage.

### **Substitutes/Replacements**

Any Substitute or Replacement approved by the controlling body (the Match Committee in the case of Club Championships) shall be a Player who is a Full Member of the Club and where possible has not already been a participant in the Championship or Tournament, and where practicable, is of playing ability equal to or less than that of the absent Members of the Team. No Substitute or Replacement will be permitted for any Player who commences play in a Championship or Tournament knowing he is unable to complete the event

## **BOWLS ETIQUETTE (Cont.)**

### **POINTS ABOUT LEADING**

- 1 The mat should be laid correctly with the rink in line with the centre line of the mat and the front edge no less than two metres from the rear ditch and not less than 25 metres from the front ditch except when scrimms are used, then at two metres only from the rear ditch. As soon as the head is decided (if in your favour) acquire the mat and the jack and lay the mat without wasting time. Assist in getting the bowls back and make sure your own bowls are handy, so that you are ready to play as soon as the jack is straightened!
- 2 Try to deliver the jack to the length directed by your skip as this may be the length your team uses most successfully, or the length your skip might think will put off your opposition.
- 3 You are a very important member of the team in that you are the one to lay the foundation for each head. You are the one to bring initial pressure on the opposition. If you can do this in every head, your team has a good chance of winning.
- 4 A good lead can play both hands equally well through practice and should be able to play the “good” hand as dictated by the skip who will have been watching the behaviour of all the bowls over the first few ends.
- 5 If the opponent has drawn a close shot, a good lead should concentrate on drawing close second UP to the head and should not start trying to run at shot bowl.
- 6 Practice regularly delivering the jack to short, medium or long lengths.
